Even if she does, this gives Trump perfect opportunity to put all those governors and mayors in their place. He has every right because they are not doing things that are Constitutional. This goes beyond states' rights to basic human liberties.

That's nothing if you're used to fasting.

If not all you need are some high carb foods like clif bars etc and you'll be fine.

Or take 3 mres with you and eat 1 more a day.
